

HOW TO ORDER A HINGE JOINT FIELD FENCE?

Please tell us the following information to get an exact price:

- 1) The Material Type (E-galvanized or Hot Dip Galvanized) and the Wire Thickness
- 2) The Height of the Fence
- 3) The Length of the roll
- 4) Number of Horizontal Wires, Horizontal Wire Spacings, and Vertical Wire Spacings
- 5) Quantity of your order

What does 100/8/15 mean?

It means the height of the roll is 100cm, there are 8 horizontal wires.
And the vertical wire spacing width is 15cm
